

105SC 2020 Lions Days at Paultons Park 2 dates this year!!

This year Paultons Park have asked us to split our attendance over 2 days, Sunday 7th June and Sunday 14th June. Tickets cost £12.75 per person - children under 1 metre tall get in free, as do guests in wheelchairs - no tickets required.

Packed lunches will cost £5.70 and cannot be returned - if ordered they must be paid for.

When completing your booking form please make sure you select your preferred date.

In order to make sure ticket allocation is fair for all Clubs, an initial number of 60 tickets per club will be allowed. Once we have all order forms in, we can allocate any remaining tickets to clubs requesting more. There are two spaces to complete on the booking form to show initial request and additional request.

In order for this system to work we will need order forms back as soon as possible and no tickets will be issued without a completed form.

Please return forms as soon as possible but by Friday 8th May 2020 at the latest. The earlier you return your form the more chance you have of securing tickets on the date you have requested.

This year all tickets issued will have the name of the Lions Club printed on each ticket. This will mean that Paultons Park can invoice the District Treasurer with a total for each Club.

Any unused tickets can be returned to the ticket sales window at Paultons Park on the day but only tickets which have been used to access the Park will be charged for.

Please note that there will not be any facility for buying additional tickets this year - Please ensure that you purchase enough tickets to cover any Lions who wish to enter the Park and ensure that the height of all children is checked with shoes on! Remember you will only be charged for tickets used.

Tickets will be sent by post to the designated Lion at each Lions Club 2-3 weeks in advance.
